

Math 6 Retake Guidelines and Reflection Questions

I _____ received a(n) _____ on the quiz/test and I am interested in retaking the quiz/test. I am in your _____ hour Math 6 class.

Procedure to Retake:

1. Parent/Guardian Signature.
2. Complete the reflection questions below in **complete sentences**.
3. Complete **at least two** learning activities and **attach evidence** that you completed them (suggestions are on the back of this paper).
4. Sign-up for one of the available dates and times.

Checklist: Circle YES or NO

- Did you get your paper signed by your Parent /Guardian? **YES or NO**
- Did you complete two learning activities and attach evidence of completing them to this paper? **YES or NO**
- Did you sign-up with your teacher to retake the test? **YES or NO**
- Date and time for your retake? _____

Reflection:

- What grade did you receive on your test? _____
- Would you say that your math binder at this time is neat and well organized? Why or Why not?

- In your opinion is your grade a reflection of the work you done for this unit, your preparation for the test, and the knowledge you have gained from this unit? Why or why not? (Please be honest with yourself)

- How will you improve your work/study skills before the next unit quiz? What did you do to prepare for the retake?

By signing this document I confirm I have followed the steps outlined above to retake the test.

Student Signature _____

By signing this document I confirm that my student has completed the above preparations for the retake.

Learning Activity Ideas For Math

At least TWO learning activities must be submitted with your retake ticket.

- Make flashcards and quiz yourself (turn in flashcards with retake ticket).
- Meet with a peer for tutoring (signature and date of meeting is required).
- Meet with the teacher to receive tutoring.
- Create a poster, visual, chart, or electronic presentation that shows your understanding of the topic.
- Create your own practice quiz with an answer key.
- Write a summary of your notes.
- Meet with a parent, older sibling, or guardian for help (signature and date of meeting is required).
- Draw pictures or make a comic strip that shows your understanding of the topic.
- Read your notes aloud and record yourself. Play it back. (submit the recording to your teacher).
- Write all of your notes on a 3x5 inch card (turn them in with the retake ticket).

If you have additional ideas for learning activities that are not listed above, **please review them with your teacher.**
